HEART ISSUES HEALED

By Karen Doan

Dear Pastor Bren,

Thank you for your prayer of faith Sunday before last (March 24th). I Peter 2:24 and Isaiah 53:5. By His stripes I am healed!

I'd had some problems with my heart. Saw a Physician's Assistant (P..A) at the doctor's office who put me on some meds and sent me to a cardiologist. The cardiologist did an EKG, sonogram and stress test. The cardiologist said my heart is "great." His words were "I am very pleased! Very pleased!" as he looked at the test results.

I had requested prayer (James 5:14-16) before going to the first doctor and I know I was at least partially healed then, but I still had some unbelief, was looking at symptoms, and had entertained some fear. I think that's why healing didn't manifest right away.

The next week before I saw the cardiologist you prayed for me. After seeing the cardiologist, I am off meds. The cardiologist didn't even ask for a follow-up visit! The physician's assistant that I'd seen first, did though - he won't believe it till he sees new blood tests in 3 months. But I know I'm healed thanks to our amazing GOD and Jesus' finished work! Praise Him!

I'm so thankful to be part of a body of believers who actually BELIEVE that the Bible is Truth! Thank you, Pastor Bren, for teaching us the Truth! (John 8:32)

Love,
Karen Doan
